

LURB 4900 -- Senior Seminar Workshops, Round Two: Triads

In this session we will engage in close readings and discussions of papers in a small workshop setting. Students will meet in pairs with me on the dates and times indicated below. Please come prepared to talk about each other's papers, having read them thoroughly with ample editorial mark-ups.

For the session, prepare a selection of 8-10 pages--polished, edited, and ready for review. I would highly recommend selecting the first 8-10 pages, as these include the introduction and literature review. Email one copy to me and one to your peer.
